

13th Ever! Yachats Agate Festival

Gem, Mineral and Fossil Show

January 17 & 18 2026 / Saturday & Sunday: 10-5

October 2025

Welcome to our 13th Ever Yachats Agate Festival! We are looking forward to another successful and fun festival on January 17 & 18, 2026. Last year was an amazing year! We raised more than we have ever for our raffle (\$1600) thanks to all the AMAZING donations from our vendors!! Our donation recipient was so happy for the check we presented them. We look forward to another AMAZING year!

Prices:

Booth spaces (8x6) are \$120 per space

Smaller main room (8x3) spaces are \$110 per space (5 spaces)

Tables \$25 per table

A note about tables. We will continue to encourage you to bring your own tables. The number of tables that are available to use is limited - they always have been. We seem to scramble every year to make sure everyone has what they need - including what the Festival needs. We would so appreciate your help with this matter.

Festival Hours: Saturday & Sunday will be 10-5

Policy Reminder:

We are still limiting the number of booth spaces you can buy to two (2). We are also requesting that your booth setup stay within the marked space. We realize that some spaces are unique in their shape due to the constraints of The Commons, but by working together on this we can help make sure there is room for people to move about with ease and safety for everyone.

Payment change: Please make checks payable to **Yachats Lions Hall**.

Raffle Donation:

It is not required but if each vendor could donate an item that has a \$15 or more value we will be able to donate more to our recipient this year through raffle ticket sales.

We are looking forward to seeing you this year! It is our 13th year which is a milestone for our committee and for many vendors that have been with us since the 1st ever festival. We are always appreciative of each and every vendor that joins us!

Thank you!

The Agate Festival Committee

If you find that you need tables on the day of the event, if we have any available the charge will be \$45 a table.

We encourage you to bring your own tables.

***The committee will decide how to distribute the tables. If you have requested a certain size, we'll do our best to accommodate the request.*

The Agate Festival Committee will confirm your reservation. Decisions regarding participation rest with the Committee. Any cancellations must be received at least two weeks prior to the show date. Vendors placed on a waiting list will be notified should booth space become available. All fees are NON-REFUNDABLE, if you need to cancel and provide 2 weeks notice, your fees will be carried over for you for the following year only, at the discretion of the Agate Festival committee.

Set-Up and Take-Down:

Early set-up is between 3:00 - 7:00pm on Friday, January 16. Saturday set-up begins at 7:30am. Take-down can begin any time after 5:00pm, no earlier on Sunday, January 18, and must be completed by 7:00pm.

Vendor Space:

Booth space is first come, first served. Placement of vendors is at the discretion of the Agate Festival Committee. If you are requesting a particular spot or the same as past year(s) we will do our best to accommodate but it is not guaranteed. Vendors are expected to provide your own chairs, tables, lighting, extension cords and other supplies needed to personalize your space for the show. Electricity will be provided if you have requested it on the application. Please provide protection for anything that touches the floor, such as tables and chairs. We are working to avoid scratching the floors. Thank you for your attention to this.

Vendor Wares:

Items for sale may include rocks, minerals, fossils, shells, jewelry, cut and uncut stones, mining paraphernalia and tools, crafts/artwork, books and magazines as long as they are related to our natural earth.

All vendors are asked to use discretion when selling your items. The Yachats Agate Festival Committee reserves the right to prohibit items deemed inappropriate or not in keeping with the positive, family atmosphere of the Yachats Agate Festival.

Vendors are expected to know their merchandise. Vertebrate fossils and any fossils from countries that do not allow export will be prohibited. The Yachats Agate Festival Committee prides itself on its good reputation of quality and trust.

Parking:

Vendors may load and unload in the parking spaces next to the Commons & Lions Hall. After unloading you are asked to re-park in the grassy field behind The Commons or along 4th street for Lions Hall vendors.

Security:

The buildings are locked and secured each night. Vendors are asked to never leave your booth area unattended during the event. Do not leave money out where it can be seen. Above all use common sense.
